

STAND up for KIDS

Join us for The CARE Center's **Stand Up For Kids** luncheon on October 5, 2017 at the Oklahoma City Golf & Country Club, featuring guest **Sasha Neulinger**. Working as a child actor, Sasha held a deep secret of multigenerational child sexual abuse at the hands of three family members. Today as a film maker with one of the largest ever Kickstarter campaigns, he is on a mission to share his story of healing and empower others to stand up for kids.
