EDUCATE & ADVOCATE

# We are Oklahoma County's child advocacy center.

## Our vision

To end child abuse in Oklahoma County.

## Our mission

Every child has a future. **We educate.**  
Every child has a voice. **We listen.**

## Why the CARE Center is Important

**1 IN 3  
GIRLS & 1 IN 5  
BOYS**

will experience abuse before  
their 18<sup>th</sup> birthday.

This equates to approximately 6 children in a  
typical classroom of 20 students.

We are committed to changing this statistic for the  
better and leaving a lasting impact on the health  
and wellbeing of Oklahoma County's children.

## Helping Children Heal

Police and DHS in Oklahoma County refer child abuse  
cases to The CARE Center where we help brave and  
courageous children begin their healing journey  
through the following services:

- Play Orientation
- Forensic Interviews
- Family Advocacy
- Medical Evaluations
- Trauma-focused Counseling

## Educating Our Community

Education is the key to standing up against abuse.  
Our education programs are simple curriculum for  
adults and children.

- **Recognizing & Reporting Child Abuse** for  
parents/caregivers, foster parents, educators,  
youth-serving workers, daycare workers and  
anyone who interacts with children.
- **ROAR** for children to learn personal body  
safety and empowerment.
